10. YOUR RIGHTS TO USE OUR SOFTWARE

- 10.1 Some of our Products include, use or incorporate software, firmware or other code ("**Software**"). When we sell you Products that include, use or incorporate Software, you agree that:

- 11.1 All orders for Products are subject to the availability of those Products and the materials for making the Products. We will inform you as soon as possible after placing an order if, for any reason, the Products you have ordered are not available or are subject to any delay.
- 11.2 If we are unable to supply you with a Product, for example because of an error in the price, we will inform you of this using the contact details you provide to us in the order and we will not process your order. If you have already paid for the Product we will refund you the full amount as soon as possible.

12. IMAGES AND SIZING OF PRODUCTS

- 12.1 The images of the Products on our Site or in any other promotional materials are for illustrative purposes only. Although we have made every effort to display the appearance accurately, we cannot guarantee that your computer or any printed materials will display the appearance faithfully or reflect the true appearance of the Products. The Products that are delivered to you may therefore vary slightly from those images.
- 12.2 Although we have made every effort to be as accurate as possible, any Product measurements, including weights and dimensions, shown on our Site or in any other promotional materials are approximate only and may vary slightly from those advertised depending on the material used in the production of that Product.

13. CHANGES TO THE PRODUCTS

- 13.1 We may make minor changes to the Products or Software that will not affect your use of the Product or Software, such as changes that:
- (a) reflect changes in relevant laws and regulatory requirements; or
 - (b) implement minor adjustments and improvements, for example to fix previously identified issues with the Products or Software.

- 14.1 The price of any Product will be as quoted on the Site and displayed to you when you complete the order process, except in cases of obvious error.
- 14.2 The price of any Product may change from time to time, but changes will not affect any order we have accepted.
- 14.3 The price of a Product includes all sales taxes (if applicable) but excludes import and customs duties, delivery costs, which will be added to the total amount due. The costs of delivery may vary depending on the delivery method you choose and will be displayed to you when you submit your order.
- 14.4 It is always possible that some of the Products may be incorrectly priced, despite our reasonable efforts. We will normally verify prices as part of our order-handling procedure so that, where a Product's correct price is less than our stated price, we will charge the lower amount when dispatching the Product to you. If the Product's correct price is higher than the price we have quoted to you, we will normally, at our discretion, either contact you for instructions before dispatching the Product, or reject your order and notify you of the rejection.
- 14.5 We are under no obligation to provide the Product to you at the incorrect (lower) price, even after we have sent you an order acceptance, if the price displayed is a genuine and honest mistake and the error is obvious and unmistakable and could have reasonably been recognised by you as a mispricing.

15. HOW TO PAY

- 15.1 After we accept your order, we will charge the price of the Product to your chosen payment method. The payment methods we accept will be available on the payment portal provided to you when you place your order.
- 15.2 By submitting an order to us, you are confirming that the payment details provided on your order are valid and correct.
- 15.3 We will cancel your order and not deliver the Product if we are unable to collect payment from your chosen payment device.

- 16.1 We will provide you with an estimated date on which we will deliver the Products at the address you provided to us during the order process. We will aim to deliver the Products to you as soon as reasonably possible and in any event within 30 calendar days after the day on which we accept your order.
- 16.2 Unfortunately, although we will make every reasonable effort to ensure your Products are delivered within the estimated timescales, we cannot guarantee that they will not be affected by unforeseen issues affecting the manufacture of the Product or our delivery

partners. If we are unable to meet the estimated delivery date, we will contact you with a revised estimated delivery date.

- 16.3 Your delivery will be completed when we deliver the Products to the address you gave us and the Products will be at your risk from that time. If your delivery requires a signature and no one is available at your address to take delivery, we will leave you a note with information about how to rearrange delivery.
- 16.4 You own the Products (but not any Software) once we have received payment in full, including all applicable delivery charges.
- 16.5 We will send you an email with tracking information when your Product is out for delivery. Please follow the applicable link in the email we provide to you to find out about the status of your order or track its progress.
- 16.6 If we fail to deliver the Products, our liability is limited to the cost of obtaining replacement Products of a similar description and quality in the cheapest market available, less the price of the Products. However, we will not be liable to the extent that any failure to deliver was caused by an Event Outside Our Control, or because you failed to provide adequate delivery instructions or any other instructions that are relevant to the supply of Products.

17. YOUR RESPONSIBILITIES

- 17.1 You understand and agree that you are responsible for your conduct whilst using the Products and Software and for any consequences arising from such use. - (a) changes in how our business operates;

3. INTELLECTUAL PROPERTY RIGHTS

- 3.1 You acknowledge that all intellectual property rights in the Software and the Documentation throughout the world belong to us (or our licensors), that rights in the Software are licensed (not sold) to you, and that you have no intellectual property rights in, or to, the Software or the Documentation other than the right to use the Software and the Documentation in accordance with the terms of this EULA.

6. LIMITATION OF LIABILITY

- 6.1 You acknowledge that the Software has not been developed to meet your individual requirements, including any particular cybersecurity requirements you might be subject to under law or otherwise, and that it is therefore your responsibility to ensure that the facilities and functions of the Software as described in the Documentation meet your requirements.
- 6.2 Subject to Clause 6.6, we will under no circumstances be liable to you for:
- (a) any loss of profit, loss of business, goodwill, business interruption or loss of business opportunity;
 - (b) loss or corruption of data, information or software;
 - (c) any special, indirect or consequential loss.
- 6.3 Subject to Clause 6.6, our total liability to you for all losses arising under or in connection with this EULA will not exceed to €150.
- 6.4 This EULA sets out the full extent of our obligations and liabilities in respect of the supply of the Software and Documents. Except as expressly stated in this EULA, there are no conditions, warranties, representations or other terms, express or implied, that are binding on us. Any condition, warranty, representation or other term concerning the supply of the Software and Documents which might otherwise be implied into, or incorporated in, this EULA whether by statute, common law or otherwise, is excluded to the fullest extent permitted by law.
- 6.5 If and to the extent you are acting in the course of a business, you acknowledge that any Software provided by us is provided "as is". All other conditions, warranties or other terms which might have effect between the parties or be implied or incorporated into this agreement, whether by statute, common law or otherwise, are hereby excluded, including the implied conditions, warranties or other terms as to satisfactory quality, fitness for purpose or the use of reasonable skill and care.

6.6 Nothing in this EULA shall exclude or limit our liability or your statutory rights where and to the extent you are acting as a consumer, and such exclusion or limitation is not permitted under applicable mandatory law, including consumer protection laws.

7. CONFIDENTIALITY

7.1 You undertake that you shall not at any time disclose to any person any confidential information concerning the Software, Documentation, business, assets, affairs, customers, clients or suppliers of Ours or of any member of Our group of companies (“**Confidential Information**”) except as permitted by Clause 7.2.

7.2 You may disclose Our Confidential Information:

(a) to your employees, officers, representatives, contractors, subcontractors or advisers who need to know such information for the purposes of exercising your rights or carrying out your obligations under or in connection with this EULA. You shall ensure that your employees, officers, representatives, contractors, subcontractors or advisers to whom you disclose the Our Confidential Information comply with this Clause 7; and

(b) as may be required by law, a court of competent jurisdiction or any governmental or regulatory authority.

7.3 You shall not use Our Confidential Information for any purpose other than to exercise your rights and perform your obligations under or in connection with this EULA.

7.4 This Clause 7 shall survive termination of this EULA for any reason.

8. TERMINATION

8.1 We may terminate this EULA or suspend access to the Software by written notice to you if you commit a material or persistent breach of this EULA which you fail to remedy (if remediable) within 14 days after the service of written notice requiring you to do so.

8.2 Upon termination for any reason:

(a) all rights granted to you under this EULA shall cease;

(b) you must cease all activities authorised by this EULA; and

(c) you must immediately destroy or return to us (at our option) all copies of the Software then in your possession, custody or control and, in the case of destruction, certify to us that you have done so.

10. INFORMATION ABOUT YOU

- 10.1 Please read our Privacy Notice to understand how we collect, use and share information about you.

11. MISCELLANEOUS

- 11.1 **Rights of Third Parties.** Any contract made between you and us is only made between you and us. No third party will have any rights to enforce any of its terms.
- 11.2 **Transfer of our Rights.** We may transfer our rights and obligations under our contract with you to another organisation, and we will notify you if this happens. This will not affect your rights or our obligations under the contract.
- 11.3 **Law and Jurisdiction.** This EULA is governed by the law of the Netherlands and the courts of Amsterdam, the Netherlands, will have non-exclusive jurisdiction over any dispute arising from or related to the contract between you and us for the purchase of the Products or your use of the Software. This does not, however, affect any rights you may have under applicable law in the country where you are resident, including (where applicable) the right to have a dispute in relation to the Products or your use of the Software heard in the courts of that country.
- 11.4 **Disputes.** If you have a dispute with us relating to our contract with you, we would welcome the opportunity to try to make things right and resolve the dispute with you ourselves. In the first instance, please contact our complaints team using the details in the "Contacting Us" paragraph above so that we can attempt to resolve the dispute informally through our internal complaints handling process. If you are in the European Economic Area, you may (but are not obliged to) seek resolution of any dispute with us through consumer mediation services. Information on alternative dispute resolution (ADR) for consumers in the European Economic Area is available via the European Commission's consumer redress pages. We are not obliged to participate in dispute resolution proceedings before a consumer arbitration board except in the circumstances outlined under this paragraph 11.4. In the unlikely event that we are not able to resolve the dispute informally, we will discuss with you the most effective way of resolving the dispute through a formal dispute resolution process. This paragraph does not affect your statutory rights.
